Dear Member of the Los Angeles Bankruptcy Community:

The Los Angeles Bankruptcy Forum is pleased to announce a new partnership opportunity for members of the Los Angeles bankruptcy community. We are asking professional firms and individuals to consider sponsoring one of our upcoming educational programs, or the remainder of our 2007/08 educational program calendar. This includes the Joseph Bernfeld Distinguished Speakers Program on March 10, 2008 (featuring Professor Erwin Chemerinsky), or the Bankruptcy Judges' program scheduled for June 2, 2008.

Sponsorship opportunities are available at \$500 per program, or \$750 for the remaining program year (through June 2008). Sponsors will receive recognition at the Forum's programs.

The Forum has a proud tradition of providing affordable, high quality educational programs, along with opportunities for members of the bankruptcy community to network both professionally and socially. Rising costs, however, have made providing these services more challenging. We thus are hoping that those firms and individuals who can afford to contribute \$500 or \$750 to sponsor our programs will take the opportunity to do so.

If you are interested in becoming a sponsor, please return the enclosed form, or contact Pat Garcia at (818) 972-5343, or pgarcia@creditservices.org

We wish to thank you in advance for your consideration of this opportunity.

Sincerely:

The LABF 2007-08 Officers

K. John Shaffer, President
Diane C. Weil, Vice President
David W. Meadows, Program Chair
Mette H. Kurth, Secretary
